Professional Body Activities

Institute of Electrical and Electronics Engineers (IEEE)

It is the world's largest technical professional organization dedicated to advancing technology for the benefit of humanity. The IEE is a nonprofit organization founded in 1963. It is head quartered in New York City. IEEE mission is to foster technological innovations and excellence for the benefit of humanity, making us a trusted voice for engineering and technology professionals worldwide.

Cambridge Institute of Technology (CIT) is proud to be an IEEE institutional member, providing students and faculty to access to cutting-edge research resources, global networking opportunities, and professional development platforms that enhance academic and research excellence.

Principal - IEEE Chairman

IEEE office Bearers:

Events Organized:

signing ceremony of the memorandum of understanding

group photography of IEEE core members, faculty and invited guests

felicitation of the guest Dr. Sarasija Padmanabhan

Professional Body Membership: The faculty members of CITNC have registered in various professional bodies:

- Indian Society for Technical Education (ISTE)
- International Association of Innovative Professionals (IAOIP)
- Institute for Engineering Research & Publication
- International Association of Innovative Professionals (IAOIP)
- International Association of Engineers (IAENG)
- institute of engineers India (IEI)
- Global Society for Technical Education (GSTE)
- Institute of Electrical and Electronics Engineers (IEEE)
- Computer Society of India (CSI)
- Institute of Engineers and Technology (IET)
- Institute for Educational Research and Publication (IFERP)
- Computer society of India (CSI)
